

Regional Practice-based Learning Training

Pre- synchronous session tasks

1. Familiarise yourself with the new competency framework.
2. View the evidence gathering tools
 - a. Individual consultation tool
 - b. Group working tool
 - c. Observation tool
 - d. Reflective tool

Take a completed tool from the tools you currently use in student training OR reflecting on a previous student example/situation/information

Complete the evidence gathering tool. Note any challenges or areas of uncertainty.

3. Explore the progress and assessment tools
 - a. Weekly progress tool
 - b. Half way and review of placement B tool
 - c. Half way and review of placement C tool

Take a completed tool from the tools you currently use in student training OR reflecting on a previous student example/situation/information

Complete the evidence gathering tool. Note any challenges or areas of uncertainty.

Time will be set aside to discuss your findings at the synchronous session.

Be prepared to share your findings via Kahoot on MS Teams to illustrate your points.
