INSTRUCTIONS

Before completing the form:

- Request for a list of modules from your Course Leader / Admin Team that you would be expected to complete here at Leeds Beckett University during the nominated period of your study abroad.
- Go to the website of the nominated Host University, and research on any modules that match the list from your Course Leader / Admin Team.
- To participate in an exchange, it is important that the placement you take enables you to follow courses which will be recognised for full credit on your course here. The application procedure, therefore, requires the approval of your proposed study plan by your Course Leader. Partner institutions in different countries will have a different credit system to ours. You must ensure that the total number of credits you study there equals a full time credit load here.
- Make an appointment to see your Course Leader, and discussed your proposed study plan.
- Make any changes as per Course Leader's suggestion.

If you have problems with the form please email studyabroad@leedsbeckett.ac.uk, or call +44(0) 113 81 23946/23644
